MAY 2022

SAVE RHINOS, TO SAVE PEOPLE, TO SAVE TOMORROW

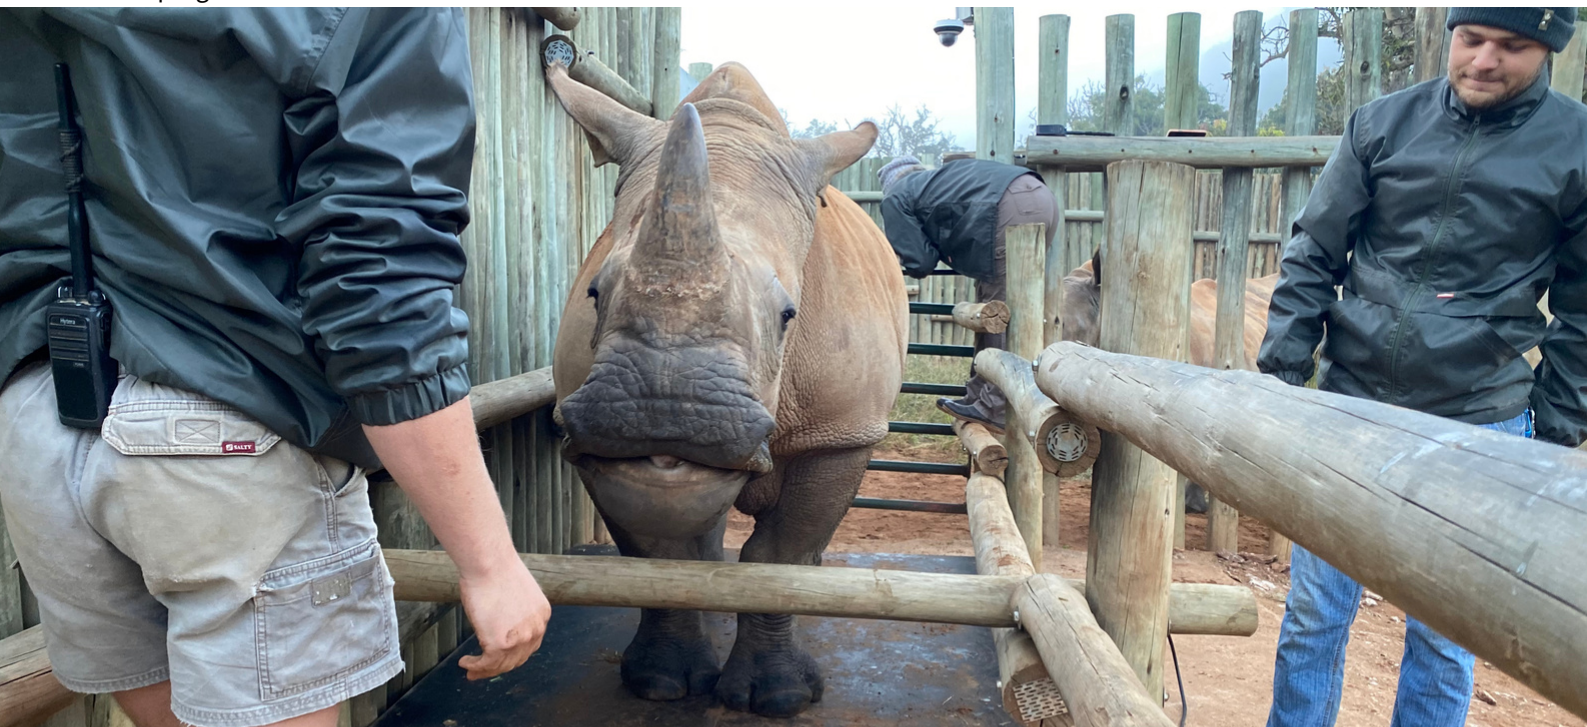

MESSAGE FROM CFW FOUNDER & CEO, PETRONEL NIEUWOUT

Winter is almost here! The temperatures are dropping quickly at Care for Wild and staff are busy making sure we have everything in place for the cold that is ahead. Teff bales, lucerne bales, bedding and rhino pellets and extra milk! We are making sure the rhinos have plenty of reserves going into winter! We have been busy fixing heaters for the night pens and making sure the caregivers and APU have warm clothes. Even a new bale store! It is so vital that we support the rhinos and the teams through the winter. Thank you as always for your love, light and support.

SOLANA UPDATE

Solana arrived at Care for Wild Rhino Sanctuary after poachers killed her mother. She was estimated to be around 20-24 months old and one of the more difficult rescues. Solana repeatedly evaded the search teams until she was finally located and moved to safety on 11 April. Calves of this age can be extremely challenging as they can struggle to adapt. Other orphans can aid in this adaptation process. Solana was introduced to Dianna who is known for her motherly ways. Dianna offered Solana all the support and confidence she needed and she quickly transitioned into her new routine and found acceptance in her new crash. With Dianna's guidance, Solana has learnt to eat teff and lucerne as well as natural grass which is extremely important for the upcoming winter months. Solana will remain with Dianna throughout her rehabilitation and will then enter the rewilding and release programme.

COTTON REACHES MILESTONE!

Cotton was the third member of the CRAFTY 6 to be rescued during the pandemic of 2020. She immediately took Anchor and Yster under her wing and continued to act as a motherly figure for Ranger, Tom and Fred. From day one she has been feisty and protective of her rhino crash, following in the footsteps of fellow orphan Dianna. This month Cotton reached a milestone moment when she weighed in at 1007kg! We are so proud of her and remain in awe of her empathy towards the other calves.

ICU RENOVATION

The Intensive Care Unit (ICU) holds some powerful memories. It is such an important building as it is the first stop for newly orphaned calves after admission. Calves entering the ICU are traumatised, scared and sometimes injured. The ICU supports the orphans in the early and fragile stages of their rehabilitation journey.

We have spent so many hours in this building that it has begun to feel like our second home with a character all to itself. It's a special place and we are so grateful to the individuals and organisations who have supported its development over the years.

**DEDICATED
TO THE
MEMORY OF
ANNAJANE
SHEPPARD**

As so many of you know the end of 2021 and the beginning of 2022 saw an influx of orphaned calves. At one stage the ICU was full and we had to stabilise Shiloh in her travelling crate as the rescue team went out again to retrieve another orphan. So many calves certainly took its toll on ICU and with Daisy being a resident for the last 6 months, our beloved building needed some tender loving care.

The most recent renovations of the main ICU building and the boma area were made possible with the legacy of Annajane Sheppard whose heart was always open to wildlife and animals in need. We know that Annajane's mother Iris, is extremely proud to know her daughter's legacy is helping to save these precious rhino lives.

DAISY UPDATE

At some stages throughout the last 6 months, it was hard to picture this day! Finally, Daisy and Modjadji have graduated from the Intensive Care Unit and moved down to the bigger bomas! Caregivers have been increasing the duration of their walks so that Daisy and Modjadji could walk from the ICU to their new home close to the other rhinos. They are settling into their new night pen and have been busy meeting their new neighbours. Modjadji is becoming a typical zebra and is always up to mischief. She has already discovered where the milk is made and makes sure that caregivers are on time with the bottles!

Their daily walks continue which is important for stimulation and muscle development for Daisy. Daisy particularly loves walking with Goofy perhaps because he is a little slower and calmer than Modjadji!

COMBINING FORCES

At Care for Wild the ongoing protection of the rhinos requires a multilayered strategy. We combine boots on the ground with new technology for an integrated approach to the security of this wild space. Corporal Steve is the Stable Manager at the Mounted Unit and is responsible for the day to day care and wellbeing of the horses. Every day he does a full physical examination of each horse as well as their temperature to ensure they are fit and healthy for duty.

Cameras are a crucial element of security at Care for Wild. We would like to thank Wildlife Protection Solutions for their ongoing support of our camera systems.

CONSERVATION THROUGH EDUCATION

Education is the primary key to successful conservation. Through education and uplifting communities, our hearts and hands are open to a more sustainable future.

The children of our local community again visited Care for Wild. This month's lesson was all about looking after ourselves through healthy food and good nutrition, but most importantly, how we can achieve this sustainably. The children helped to plant seedlings in the vegetable garden and used the rhino dung compost as a natural fertiliser. They all took seedlings home and back to their families so that they continue to grow vegetables in their own gardens.

DARREN & ANNA GOUGH GOLF DAY & GALA DINNER

AT THE GROVE ON THE **2ND SEPTEMBER 2022** IN AID OF

CARE FOR WILD RHINO SANCTUARY

ABOUT CARE FOR WILD

The Care for Wild Rhino Sanctuary is located in the greater Barberton Nature Reserve which incorporates Mountainlands Game Reserve, situated in the beautiful heartland of Mpumalanga, South Africa. The Sanctuary was founded by Petronel Nieuwoudt, with the goal of providing care and rehabilitation to a wide range of animals. Due to the drastic increase in the numbers of rhino poaching incidents within South Africa, and an ensuing large number of orphaned rhinos, the need for a specialised sanctuary which would rehabilitate and eventually release back into the wild became necessary. Care for Wild Rhino Sanctuary works directly with local communities in creating sustainable solutions that provide training, educational opportunities and ultimately jobs. This leads to members of the community developing livelihoods and securing promising futures for their communities through conservation. The long-term sustainability of the CFWRS is ultimately through the creation of jobs and enterprises within the Sanctuary and surrounding communities, ensuring that the communities see tangible benefit in conserving the Sanctuary and Rhinos.

THE GROVE 

GOLF DAY

Seve Ballesteros' The Shire London Golf Club

Fourball — team of four £800 excluding VAT
Sponsor a hole for just £200 excluding VAT

Limited to just 22 teams!

You're invited to a relaxed and fun morning and afternoon of golf at the prestigious Shire London Golf Club, hosted by Darren Gough & friends. You'll enjoy a delicious breakfast before tee off. You're guaranteed a day of laughter, fun and competition. Drinks are provided on the course before coming back to the clubhouse to enjoy a delicious buffet, prizes, games and goody bag. Complimentary transport will be provided for those going to The Grove Watford for the Gala Dinner

GALA DINNER

The Grove Watford

Table of 10 : £1,800 excluding VAT
Individual tickets : £195 excluding VAT

Your guests will enjoy a sparkling drinks reception, followed by a delicious three course menu plus coffee and petit fours. Hosted by Darren & Anna Gough, you'll enjoy an evening of live entertainment to include traditional South African sounds, fundraising and a live auction. The founder of Care for Wild, Petronel Nieuwoudt will take to the stage to share her knowledge and experiences with guests.

PLATINUM PACKAGE: £3,000 EXCLUDING VAT

Attend the Golf Day and Gala Dinner with premium tables and a drinks package. You will have the best seats in the house and will have a VIP meet and greet with Petronel Nieuwoudt, the inspiration behind this great charity.

Sponsorship Packages:

Please reach out to see our sponsorship opportunities.

NEW T-SHIRTS LAUNCHED

Last year we launched 'Care for Wild Clothing' and our first online store enabling people to support Care for Wild through the purchasing of branded t-shirts, hoodies and sweaters. We partnered with a UK based, printing and manufacturing company called TeeMill which specialises in the production of eco-friendly and sustainably manufactured clothing.

This month we launched two new collections; the Wyntir and Blizzy Collection and the Survival Collection, which is dedicated to the many orphans who survived life threatening injuries.

Check out our latest designs by clicking the link below and wear your support for rhinos every day.

VOLUNTEERS RETURNING

After over two years of restricted travel, we are so delighted to see our volunteers returning. Volunteers have always played an incredibly important role at Care for Wild and we are so excited to see them back. With some new faces and some returning faces, we are delighted to have extra hands to help, extra smiles to make the days brighter, and extra hearts to carry the rhinos all over the world.

We have recently updated our volunteering page on our website and added a volunteering album to our Facebook page. Please have a look and if you are a previous volunteer and see if you can spot yourself in the photos!

If you would like more information about our volunteering programme, please email volunteer@careforwild.co.za

More Info

THANK YOU WAGS & MENACE

We currently have 8 babies drinking milk including Modjadji the zebra! Baby rhinos drink milk from their moms until around the age of 17 months! That's a lot of milk.

We would like to say a big thank you to Wags and Menace for their recent donation of \$2000 worth of rhino milk! This is absolutely amazing! We are so grateful and so are all the rhino babies.

THANK YOU BLANKETS FOR BABY RHINOS

We would like to say a very big thank you to Blankets for Baby Rhinos and all of their volunteers for their recent donation of beautifully handmade carers blankets. Our rangers who work around the clock protecting the rhinos were in desperate need of cosy blankets for their off-duty hours. The temperatures are dropping here at Care for Wild so these stunning blankets were very gratefully received. You can really feel the love when snuggled up in them!

A CARE FOR WILD WEDDING

There were big celebrations at Care for Wild this month with the long-awaited wedding between two of our team. This wedding was postponed twice already due to the pandemic but finally, guests from the UK, Canada, Ireland, Australia and South Africa were able to join the Care for Wild family for a wonderful day. The weather might have been quite wet but that did not dampen any spirits as everyone celebrated together and put on their dancing shoes for the Jerusalem!

THANK YOU

WITH DEEPEST GRATITUDE, THANK YOU TO OUR SPONSORS FOR THE AMAZING SUPPORT OF THE INDIVIDUAL RHINOS, ANTI-POACHING, AND COMMUNITY DEVELOPMENT
