JULY 2023

SAVE RHINOS, TO SAVE PEOPLE, TO SAVE TOMORROW

World Ranger Day 31st July 2023

What is World Ranger Day and why is it important?

World Ranger Day is an international day held annually on July 31st to honour and celebrate the dedication and sacrifices of park rangers worldwide. Park rangers play a crucial role in protecting and conserving natural and cultural heritage, national parks, wildlife reserves, and other protected areas.

The day also serves as a tribute to the rangers who have lost their lives or been injured in the line of duty while safeguarding these valuable natural resources and wildlife. World Ranger Day provides an opportunity to raise awareness about the roles of rangers, the challenges and dangers they face, and the ever-evolving global threats to the environment and wildlife.

World Ranger Day was first observed in 2007 on the 15th anniversary of the founding of the International Ranger Federation (IRF), an organization that supports and represents park rangers globally. This day allows individuals and organizations to show their support and appreciation for the important work done by rangers and to contribute to their well-being and training.

World Ranger Day at Care for Wild

World Ranger Day is one of our most important and celebrated days at Care for Wild Rhino Sanctuary and is always filled with excitement, joy and pride. Every day, Care for Wild Rangers walk beside rhinos on a journey to save a species from extinction and to protect biodiversity for future generations. We salute their commitment, their passion, their bravery and their sacrifices. Every hour of every day and night, in all weather, our rangers leave their footprints in the dust. A powerful declaration and a solemn pledge as they claim this land for rhinos, for wildlife and for the future. Always, boots on the ground. Forever, guided in faith.

This World Ranger Day, Care for Wild humbly acknowledges
3270 days without incursions
Over 35,000km patrolled
78480 hours of protection

Ceremonial Torch

Part of what makes World Ranger Day so special at Care for Wild is the traditions we have created and nurtured over many years.

Our World Ranger Day event begins with the ceremonial lighting of the torch. The torch was first lit in 2014 and represents eternal light, protection, hope and guidance. It serves as a symbol of the Ranger's devotion to the cause. Every year, a new date plaque is added.

The torch is carried through the Protected Area in a procession led by the anti-poaching unit. At each checkpoint, the torch is given to another unit until the entire platoon marches together in a poignant display of comradeship and unity.

Parade

The parade sees the entire anti-poaching unit march through Protected Area carrying the World Ranger Day torch. Whilst the torch carries its own meaning and significance, so too does the parade itself.

Our rangers walk thousands of kilometres every year as they protect the rhinos and wildlife. As we walk, we honour this effort and acknowledge that with every step we take, we do so to reclaim the land for rhinos, for wildlife and for the future. Rhino footprints, Ranger footprints, K9 Unit footprints and Mounted Unit footprints. All together on the earth.

World Ranger Day Ceremony & Awards

After the walk, the Rhino Monitors, K9 Unit, and Mounted Unit hold a formal parade and World Ranger Day ceremony. Guests attending the event wait for the unit to march in. The Care for Wild, Anti-Poaching, and South African flags are raised, and everyone sings the national anthem. The ceremony focuses on recognizing each ranger's contributions and the collective achievements of the organisation. All rangers receive a thank-you gift, and those with 5 or 10 years of service receive Long Service awards. Special recognition awards are also presented to individuals who have shown growth in their roles and performed exceptionally. This year's awards include categories like leadership development and bravery.

Thank You Meal

After the World Ranger Day ceremony, the Rangers are treated to a delicious meal all together. It is during this time that the messages from supporters sent from all over the world are given to the Rangers.

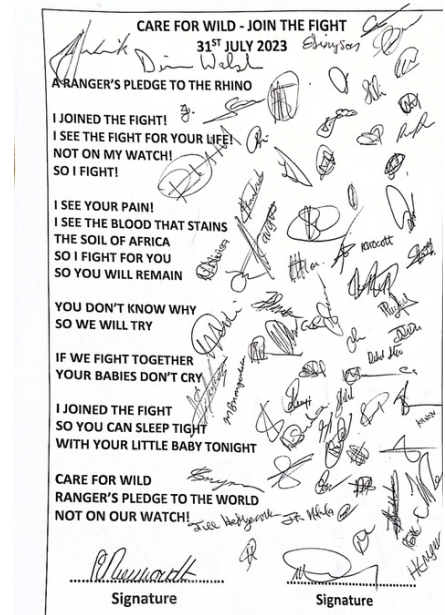

Some messages are printed on their name placements and others are printed in booklets that they can read during the meal. It is always a highlight for the Rangers and we would like to take this opportunity to say thank you to everyone who donated and sent messages.

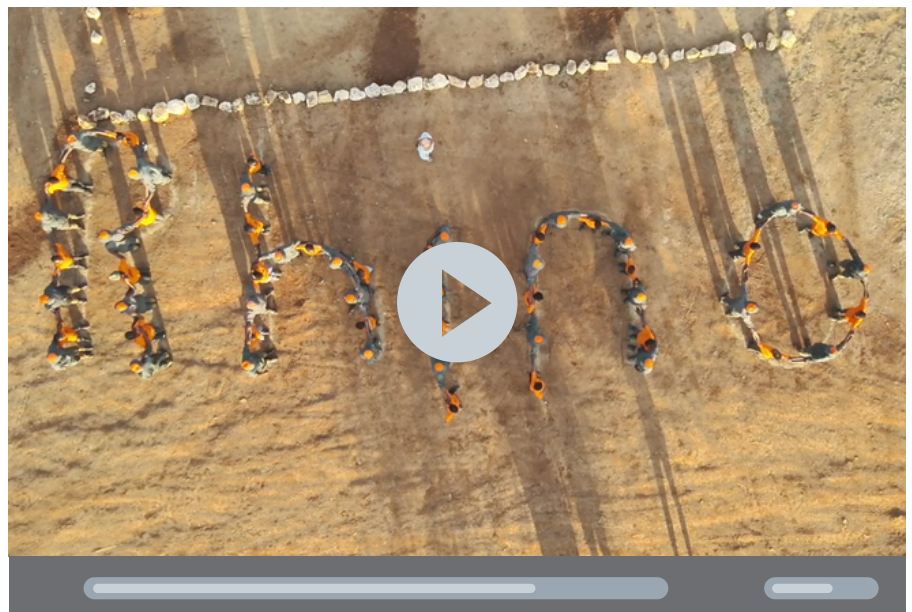

Rangers Pledge

The signing of the Ranger's Pledge stands as one of the most vital, touching, and time-honoured aspects of the World Ranger Day celebration at Care for Wild. Year after year, this cherished tradition brings the entire ranger community together in a solemn and heartfelt moment.

This poignant act goes beyond mere formality; it symbolizes a sacred commitment to the well-being and conservation of these magnificent creatures. Each signature represents a deep-rooted promise to safeguard the rhinos from harm, defend their habitats, and stand strong in the face of adversity. The signing of the pledge not only strengthens the unity among the rangers but also serves as a poignant reminder of the immense responsibility they carry on their shoulders, reinforcing the weight of their duty and the significance of their daily efforts.

Junior Rangers Visit

World Ranger Day would not be complete without a visit from our Junior Rangers! The youngsters attended Care for Wild where they got to practice drilling with their older counterparts, sing and dance, play soccer, meet the dogs and the horses and even check out the latest drone technology being used to keep the rhinos and wildlife safe.

In December 2021, Care for Wild launched the Junior Rangers program, which aims to educate and engage children as future rhino and conservation ambassadors. The program offers children the chance to connect and engage with the Care for Wild staff, motivating them to pursue careers in the pursuit of a sustainable future. In December 2021, Care for Wild launched our first all-girls Junior Ranger program. The Junior Rangers program is not limited to teaching children about the importance of rhino conservation and biodiversity. It also aims to impart valuable life lessons related to the environment, such as keeping water systems clean and disposing of rubbish correctly. By teaching these life skills, the Junior Rangers program is creating young ambassadors for conservation and promoting responsible behaviour towards the environment.

By equipping future generations with the knowledge and skills necessary to sustainably manage our natural resources, the Junior Rangers program is helping to protect our planet for years to come.

Care for Wild Rhino Sanctuary was set up for the conservation of endangered species, particularly rhinoceroses. Founded by Petronel Nieuwoudt, the Care for Wild Rhino Sanctuary works with others to rescue, rehabilitate and rewild orphaned or injured rhinos, victims of the drastic rhino poaching occurring within South Africa. The Sanctuary, located in the Greater Barberton Reserve in the beautiful heartland of Mpumalanga, works to empower rural communities to develop sustainable ecosystems and development models. Through this, their work supports efforts to secure viable breeding populations to ensure the continuation of key species for our planet and future generations.

CELEBRATING WENDY'S AMAZING STORY ❤️

FROM VOLUNTEERING TO FUNDRAISING! 🐘🌱

LAST YEAR, AFTER BEING DEEPLY MOVED BY HER VISITS TO CARE FOR WILD OVER THE PAST 6 YEARS, WENDY DECIDED TO TAKE ACTION. TOGETHER WITH HER FRIEND KAREN, THEY ORGANISED A 'CARE FOR WILD TEA PARTY' IN AUGUST 2022 🍰

WITH A SIMPLE YET MEANINGFUL SETUP, THEY INVITED FAMILY AND FRIENDS TO KAREN'S GARDEN, SERVING DELICIOUS AFTERNOON TEA AND HOSTING A RAFFLE WITH AMAZING PRIZES. THANKS TO THEIR EFFORTS AND THE SUPPORT OF EVERYONE INVOLVED, THEY RAISED AN INCREDIBLE £1,115! 🎉💪

WE BELIEVE IN THE POWER OF UNITY - TOGETHER, WE CAN MAKE A DIFFERENCE FOR ORPHANED AND SICK RHINOS IN SOUTH AFRICA. 🇿🇦 🐘 #ONETEAMONEDREAM
